A meeting of the Water Protection Forum, Water Quality Standards Workgroup is scheduled for October 5, 2015 from 1 – 3 p.m. in the Nightingale Creek Conference Room at the Lewis & Clark State Office Building, 1101 Riverside Drive, Jefferson City. This workgroup meeting will focus on the proposed numeric nutrient criteria for lakes scheduled for the upcoming water quality standards review and the rationale for the development of those criteria. Updates will also be provided on the other items scheduled for the upcoming water quality standards. An agenda and supporting materials will be provided in advance of the meeting at the web link below.
